The most important information summarized for you

Location and getting there

We are staying in the Sayda youth hostel:

61km from Dresden

131km from Leipzig

207km from Erfurt

165km from Jena

48km from Chemnitz

The address of the youth hostel is:

Sayda Youth Hostel

Mortelgrund 8

09619 Sayda

You can find specific directions here:

<https://www.jugendherberge.de/jugendherbergen/sayda/#anreise>

Please allow enough time upon arrival to register and move into your rooms.

Bed linen and towels

Bed linen is always included in the stated price. Please bring your own towels. If necessary, towels can also be borrowed directly from the youth hostel: a fee of €3.50 is charged for each towel set (1 shower towel, 1 hand towel).

The Outdoor area

The outdoor area and location can be clearly seen on the website. So nothing stands in the way of a walk in the forest during your lunch break or before breakfast. There is a football pitch, table tennis tables and other play areas on the premises. There is a lot of play material available, but you are welcome to bring your own items. When the weather is nice, there are plenty of seats and a fountain in the outdoor area to invite you to linger.
